

p bits    L bits    8 bits

A diagram showing three horizontal segments with double-headed arrows indicating their widths. The first segment is labeled 'p bits', the second 'L bits', and the third '8 bits'.

block    block    block

A diagram showing three horizontal segments, each labeled 'block', separated by vertical lines. Double-headed arrows are placed above each segment to indicate their extent.

text    padding

A diagram showing two horizontal segments. The first segment is labeled 'text' and the second is labeled 'padding'. Double-headed arrows are placed above each segment to indicate their extent.
